

## Creating Connections

Please choose the best connection for each essay.

1. I think we should take a school trip to another country. This is because other countries have different ideas about society and culture. If we stay in Japan, we will learn more about Japanese culture. But if we travel to another country, we can \_\_\_\_\_.

- a. eat delicious food.
- b. meet cute girls.
- c. learn new ways of living.
- d. learn new ways to exercise.

2. I think acting is the best job. This is because actors are loved by many people. For example, Matsumoto Hitoshi and Matsuko Deluxe have so many fans. So if we become actors, we can \_\_\_\_\_.

- a. be richer than most other people.
- b. make relationships with many other people.
- c. be talented.
- d. eat as much Umaibo as we want.

These essays have a bad connection. Please tell me why it is bad, and write a new one.

1. I think baseball is the best school club. This is because baseball keeps us healthy. For example, in the baseball club, we run, stretch, and do weight training. If we are in the baseball club, **I can be happy.**

なぜよくない? -

その代わりに - If we are in the baseball club, \_\_\_\_\_.

2. I think students should learn English. This is because English is used in many different careers in Japan and around the world. For example, it is used in science, business, and even many kinds of art. So if we learn English, **we will be cool.**

なぜよくない? -

その代わりに - So if we learn English, \_\_\_\_\_.

3. I think students should use their cell phone in school. This is because we can use cell phones to research many kinds of information. For example, we can read tutorials for math problems or watch youtube videos about Japanese history. So if we have our phones, **we can call our parents during an emergency.**

なぜよくない? -

その代わりに - So if we have our phones, \_\_\_\_\_.
