

Making Good Reasons

These essays are missing a reason. Please pick the best reason for each one.

1. I think sushi is the best food. _____. For example, ika, ikura, and natto sushi taste so good. If we eat sushi every day, our body can be strong. That's why I think sushi is the best food.

- a. This is because sushi is delicious.
- b. This is because I like sushi.
- c. This is because sushi is Japanese tradition.
- d. This is because sushi is healthy.

2. I think Kyoto is the best prefecture in Japan. _____. For example, Kinkakuji and Kiyomizudera. If we go to Kyoto, we can enjoy learning about Japan's great history. This is why Kyoto is the best prefecture in Japan.

- a. This is because Kyoto is fun.
- b. This is because Kyoto is beautiful.
- c. This is because Kyoto has many historical buildings.
- d. This is because I enjoy going to Kyoto.

3. I think dogs are the best animal. _____. For example, people in every country like Japan, China, and America have dogs. This shows that so many people around the world like dogs. This is why I think dogs are the best animal.

- a. This is because dogs are so popular.
- b. This is because dogs are so cute.
- c. This is because dogs are so strong.
- d. This is because dogs are so wonderful.

Please write a good reason for each of these essays.

1. I think Ibaraki is better than Tokyo. _____. For example, Mt. Tsukuba and Oarai Sun Beach. These places are not crowded, so we can enjoy them comfortably. But in Tokyo, such places can be much more crowded and noisy. That's why I think Ibaraki is better than Tokyo.

2. I think students have too much work. _____. For example, many students at my school do club activities until 6 or 7 PM every day. For this reason, they often have to stay up late doing their homework and don't sleep enough. That's why I think students have too much work.

3. I think we should exercise every day. _____. Running improves our hearts, and weight training can improve our muscles. If we improve these things, we can live healthily for a long time. That's why I think we should exercise every day.
